On the outside, the Mora MRF211N6CSE refrigerator is 36 inches wide and designed to seamlessly fit into any kitchen space and decor. The brushed stainless-steel finish is fingerprint resistant making it both pleasant to look at and easy to clean without any special cleaners. Also inside is a filtered water dispenser with NSF/ANSI 42 and 53 certified certification that always provides fresh-tasting filtered water, and what's better is that the installed icemaker uses this filtered water to make the ice.
